

Attenuator 100W

Features:

- *High IMD, suitable for indoor & outdoor
- *strong structure, small size
- *Strict process control
- *High reliability, stability
- *Dust, water, shock, lighting strike resistance

Specification :	
Name	GW-SNW-100-XX-3
Frequency Range	DC-3GHz
VSWR	≤1.25
Attenuator	5, 10, 20 dB
Protection Level	IP65
Power Capacity	Average: 100W
Impedance	50Ω
RF Connector	N-Female
Size(L*W*H)	120x100x60
Max Weight	1.2Kg
Operation Temperature	-20℃~+85℃
