

Attenuator 50W

Features:

- *High IMD, suitable for indoor & outdoor
- *strong structure, small size
- *Strict process control
- *High reliability, stability
- *Dust, water, shock, lighting strike resistance

Specification :

Name	GW-SNW-50-XX-3
Frequency Range	DC-3GHz
VSWR	≤ 1.25
Attenuator	10、20dB
Protection Level	IP65
Power Capacity	Average: 50W
Impedance	50 Ω
RF Connector	N-Female
Size(L*W*H)	60X80X60
Max Weight	526 g
Operation Temperature	-20 ~ +85°C
